FADE IN:

TITLE: 7TH AEON: REDUX

PANEL 1

A lone, MASKED GIRL, standing on a rooftop. She surveys the desolate neon hellscape before her.

MASKED GIRL

Although I love the sumptuous  
splendor of the murky neon lights,  
I rarely come to the city. It's the  
smell...

PANEL 2

The Masked Girl pushes a BYSTANDER off a subway platform.

MASKED GIRL

Some people antique, some people  
hike, some people build ships in  
bottles.

PANEL 3

The Masked Girl stares at her reflection in the mirror, while a DEAD BODY sits in the bathtub, bleeding out.

MASKED GIRL

My hobbies on the other hand are...  
Unorthodox. I take pride in my  
work, nonetheless.

PANEL 4

We see the Masked Girl's shadow down the alley from yet another DEAD BODY.

MASKED GIRL

There's no better way to blow off  
steam. All things considered, it is  
all vanity. I'm doing them a  
favour...

PANEL 5

The Masked Girl channel surfs while a DEAD BODY slowly decomposes on the bed.

MASKED GIRL

Some may call it a compulsion, but  
I prefer... A vocation. One that is  
cleansing... both for me and them.

PANEL 6

A DEAD BODY hangs suspended from a tangle of electrical  
lines.

PANEL 7

The Masked Girl fishes her dollar from a vending machine on  
the empty street.

MASKED GIRL

But slowly, the streets empty as  
people begin to cower... Less fun  
for me, I guess.

PANEL 8

The Masked Girl drinks a soda on the street corner.

MASKED GIRL

One last go-around, then I head  
home.

PANEL 9

The Masked Girl sits next to A VICTIM, who leaps from the  
building's edge.

MASKED GIRL

I'll have to remember to bring my  
camera...

PANEL 10

A CLOSE-UP on the MASKED GIRL.

MASKED GIRL

Next time.

FADE OUT.
